

What Our Alumni and Parents Are Saying About Us:

Sobriety

Nearly **72%** have **stayed sober** since leaving Sober College

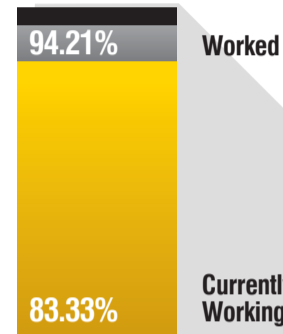

“Sober College taught me not only how to get sober, but how to live sober as well.”

Employment

More than **8 Out Of 10** said they were **currently working**

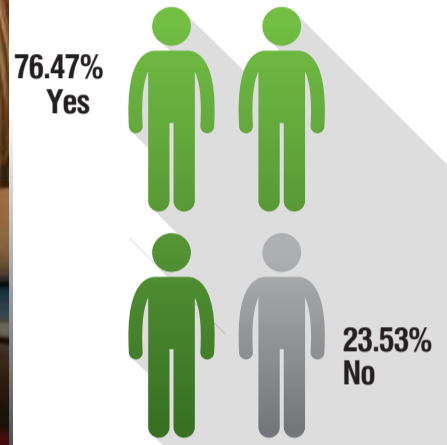

“Sober College helped me get back into school, work force and being productive in my life.”

Education

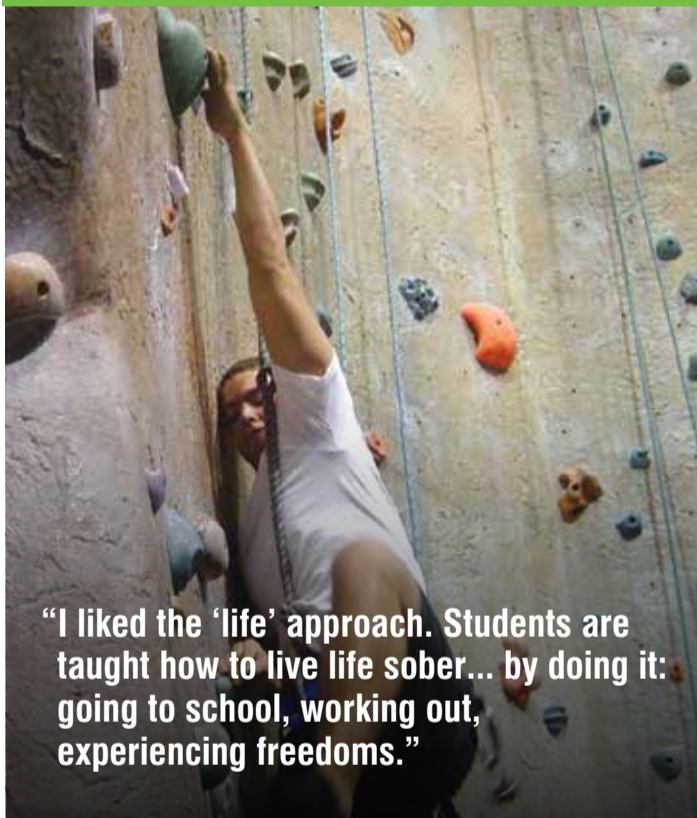

3 Out Of 4 said they **attended school** after leaving Sober College

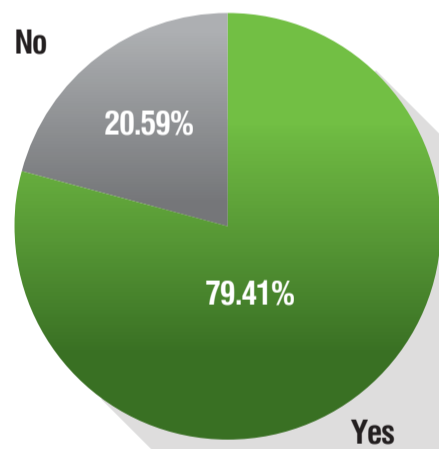

“We were impressed that our son could take college courses while in treatment at Sober College.”

Fitness

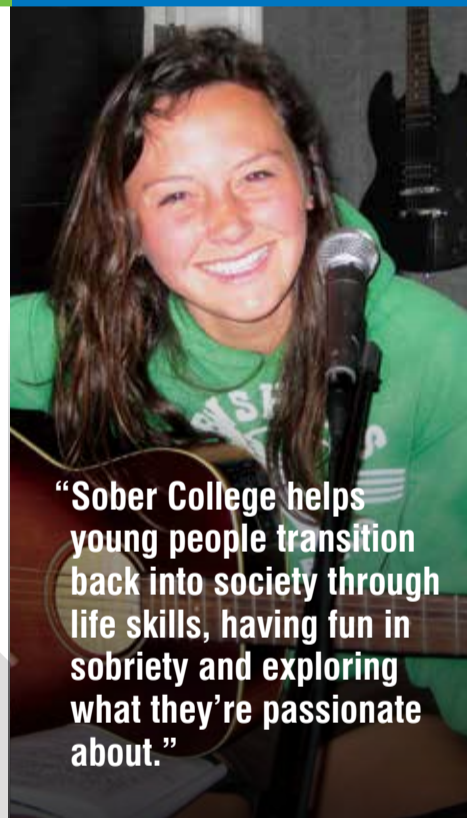

Almost **80%** said they have continued to **work out** after Sober College

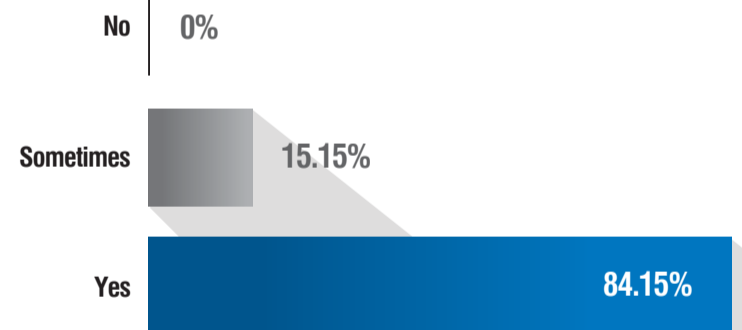

“I liked the ‘life’ approach. Students are taught how to live life sober... by doing it: going to school, working out, experiencing freedoms.”

Passion

Nearly **85%** said they were **passionate** about what they are doing in their life today

“Sober College helps young people transition back into society through life skills, having fun in sobriety and exploring what they’re passionate about.”

Relationships

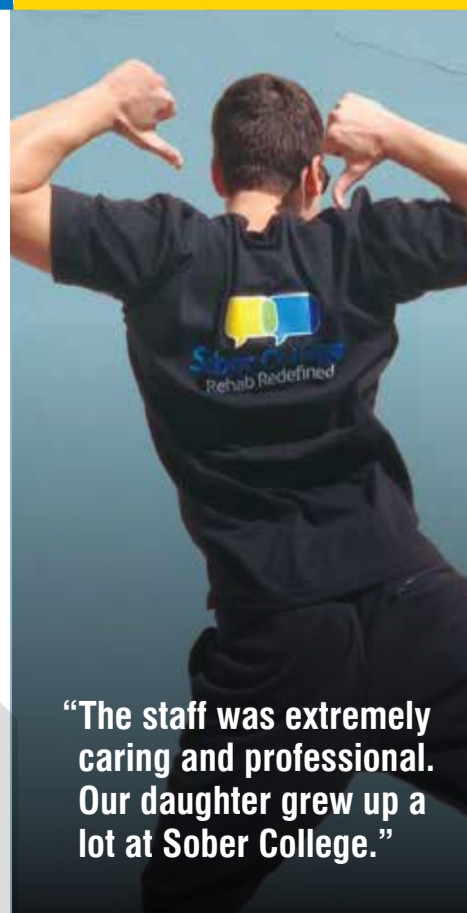

Everyone said the **relationships** in their lives **improved** since leaving Sober College

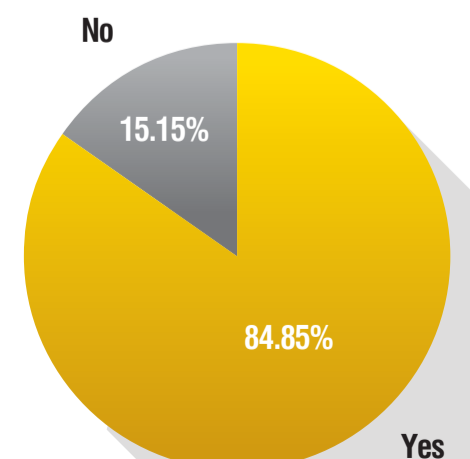

100%

“My family trusts me again, and we actually enjoy spending time with each other. I have genuine, honest, healthy relationships, rather than just people I would use to get what I want.”

Recommendation

Almost **85%** said they would **recommend Sober College** to a friend or family member who was struggling with drugs or alcohol

“The staff was extremely caring and professional. Our daughter grew up a lot at Sober College.”
